We have audited the accompanying Statement of Standalone Financial Results of **WIPRO LIMITED** ("the Company"), for three and six months ended September 30, 2026 (the "Statement"/ "Standalone Financial Results"), being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "LODR Regulations").

In our opinion and to the best of our information and according to the explanations given to us, the Standalone Financial Results:

a. are presented in accordance with the requirements of Regulation 33 of the SEBI LODR Regulations, 2015 as amended; and

b. gives a true and fair view in conformity with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34") prescribed under section 133 of the Companies Act 2013 ("the Act") read with relevant rules issued thereunder and other accounting principles generally accepted in India of the net profit and other comprehensive income and other financial information of the Company for the three and six months ended September 30, 2026.

Basis for Opinion

We conducted our audit of the Standalone Financial Results in accordance with the Standards on Auditing ("SAs") specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Results section below. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Standalone Financial Results under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion.

Management's and Board of Directors' Responsibilities for the Statement

This Statement, which is the responsibility of the Company's Board of Directors, and has been approved by them for the issuance. The Statement has been compiled from the related audited Interim Condensed Standalone Financial Statements for the three and six months ended September 30, 2026. The Company's Board of Directors are responsible for the preparation and presentation of the Standalone Financial Results that give a true and fair view of the net profit/loss and other comprehensive income and other financial information of the Company in accordance with the recognition and measurement principles laid downin the Ind AS 34 prescribed under

Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the LODR regulation. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Results, the Management and Board of Directors is responsible for assessing the Company's ability, to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the financial reporting process of the company.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors and Management.

- Evaluate the appropriateness and reasonableness of disclosures made by the Board of Directors in terms of the requirements specified under Regulation 33 of the LODR Regulations.

- Conclude on the appropriateness of the Board of Directors' and Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related

disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Standalone Financial Results, including the disclosures, and whether the Standalone Financial Results represent the underlying transactions and events in a manner that achieves fair presentation.

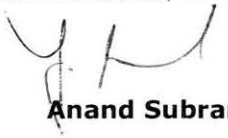

- Obtain sufficient appropriate audit evidence regarding the Standalone Financial Results of the Company to express an opinion on the Standalone Financial Results.

Materiality is the magnitude of misstatements in the Standalone Financial Results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Results.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal financial controls that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

We conducted our audit of the Consolidated Financial Results in accordance with the Standards on Auditing ("SAs") specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Results section below. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Consolidated Financial Results under the provisions of the Act and the Rules thereunder and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion.

Management's and Board of Directors' Responsibilities for the Statement

This Statement, which is the responsibility of the Company's Board of Directors and has been approved by them for the issuance. The Statement has been compiled from the related audited interim condensed consolidated financial statements. The Company's Board of Directors are responsible for the preparation and presentation of the Consolidated Financial Results that give

a true and fair view of the consolidated net profit/loss and consolidated other comprehensive income and other financial information of the Group in accordance with the recognition and measurement principles laid down in the Ind AS 34, prescribed under Section 133 of the Act, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the LODR Regulations.

The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the respective financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of Consolidated Financial Results by the Directors of the Company, as aforesaid.

In preparing the Consolidated Financial Results, the respective Management and Board of Directors of the companies included in the Group are responsible for assessing the ability of the respective entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate their respective entities or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Results

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors and Management.

- Evaluate the appropriateness and reasonableness of disclosures made by the Board of Directors in terms of the requirements specified under Regulation 33 of the LODR Regulations.

- Conclude on the appropriateness of the Board of Director's and Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Consolidated Financial Results, including the disclosures, and whether the Consolidated Financial Results represent the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial results of the entities within the Group to express an opinion on the Consolidated Financial Results. We are responsible for the direction, supervision and performance of the audit of financial information of entities included in the Consolidated Financial Results.

Materiality is the magnitude of misstatements in the Consolidated Financial Results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated Financial Results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Consolidated Financial Results.

We communicate with those charged with governance of the Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal financial controls that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

The Company is organised into the following operating segments: IT Services and IT Products.

IT Services: The IT Services segment primarily consists of IT services offerings to customers organised by four Strategic Market Units ("**SMUs**") - Americas 1, Americas 2, Europe and Asia Pacific Middle East and Africa ("**APMEA**").

Americas 1 and Americas 2 are organised by industry sector, while Europe and APMEA are organised by countries.

Effective April 1, 2026, the customers across Latin America and Canada are aligned with the respective industry sectors in Americas 1 and Americas 2. Additionally, Hi-tech sector and airports as a sub-sector for Americas are now subsumed under existing sectors of Americas 1. Prior period comparables are readjusted to reflect this change.

Americas 1 includes the following industry sectors in the United States of America, Latin America and Canada: Communication, Media and Networks, Technology Software and Gaming, Technology New Age, Health and Consumer. **Americas 2** includes the following industry sectors in the United States of America, Latin America, and Canada: Banking and Financial Services, Energy, Manufacturing and Resources and Capital Markets and Insurance. **Europe** consists of the United Kingdom and Ireland, Switzerland, Germany and Western Europe. **APMEA** consists of Australia and New Zealand, Southeast Asia, Japan, India, the Middle East, and Africa.

Revenue from each customer is attributed to the respective SMUs based on the location of the customer's primary buying center of such services. With respect to certain strategic global customers, revenue may be generated from multiple countries based on such customer's buying centers, but the total revenue related to these strategic global customers are attributed to a single SMU based on the geographical location of key decision makers.

Our IT Services segment provides a range of AI-powered IT and IT-enabled services including AI advisory, industry & functional consulting, AI native development, customer centric design, modernisation, custom application development, infrastructure services, cybersecurity services, data and analytics services, business process services, research and development, and hardware and software design. Through AI-powered, consulting-led solutions, we help our clients transform their businesses to drive better efficiencies and generate new growth opportunities.

IT Products: The Company is a value-added reseller of security, packaged and SaaS software for leading international brands. In certain total outsourcing contracts of the IT Services segment, the Company delivers hardware, software products and other related deliverables. Revenue relating to these items is reported as revenue from the sale of IT Products.

The Chief Executive Officer ("**CEO**") and Managing Director of the Company has been identified as the Chief Operating Decision Maker as defined by Ind AS 108, "Operating Segments". The CEO of the Company evaluates the segments based on their revenue growth and operating income.

Assets and liabilities used in the Company's business are not identified to any of the operating segments, as these are used interchangeably between segments. Management believes that it is currently not practicable to provide segment disclosures relating to total assets and liabilities since a meaningful segregation of the available data is onerous.

INDEPENDENT AUDITOR'S REPORT ON THE AUDIT OF CONSOLIDATED FINANCIAL RESULTS

TO THE BOARD OF DIRECTORS OF WIPRO LIMITED

Opinion

We have audited the accompanying Statement of Consolidated Financial Results of **WIPRO LIMITED** ("the Company") and its subsidiaries (the Company and its subsidiaries together referred to as "the Group") for the three and six months ended September 30, 2026 ("the Statement"/" Consolidated Financial Results").

In our opinion and to the best of our information and according to the explanations given to us, the Statement gives a true and fair view in conformity with the recognition and measurement principles laid down in the International Accounting Standard 34 "Interim Financial Reporting" ("IAS 34") as issued by the International Accounting Standards Board ("IASB") of the consolidated net profit and consolidated total comprehensive income and other financial information of the Group for the three and six months ended September 30, 2026.

Basis for Opinion

We conducted our audit of the Consolidated Financial Results in accordance with the Standards on Auditing ("SAs") issued by the Institute of Chartered Accountants of India ("ICAI"). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Results section below. We are independent of the Group in accordance with the Code of Ethics issued by the ICAI together with the ethical requirements that are relevant to our audit of the Statement and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion.

Management's and Board of Directors' Responsibilities for the Consolidated Financial Results

This Statement, which is the responsibility of the Company's Board of Directors and has been approved by them for the issuance. The Statement has been compiled from the related audited interim condensed consolidated financial statements. The Company's Board of Directors are responsible for the preparation and presentation of the Consolidated Financial Results that give a true and fair view of the consolidated net profit/loss and consolidated other comprehensive income and other financial information of the Group in accordance with the recognition and measurement principles laid down in IAS 34 as issued by IASB.

The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls,

that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the respective financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of this Consolidated Financial Results by the Directors of the Company, as aforesaid.

In preparing the Consolidated Financial Results, the respective Management and Board of Directors of the companies included in the Group are responsible for assessing the ability of respective entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate their respective entities or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Results

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors and Management.

- Conclude on the appropriateness of the Board of Directors' and Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Consolidated Financial Results, including the disclosures, and whether the Consolidated Financial Results

represent the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial results of the entities within the Group to express an opinion on the Consolidated Financial Results. We are responsible for the direction, supervision and performance of the audit of financial information of entities included in the Consolidated Financial Results.

Materiality is the magnitude of misstatements in the Consolidated Financial Results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated Financial Results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Consolidated Financial Results.

We communicate with those charged with governance of the Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal financial controls that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

IT Services: The IT Services segment primarily consists of IT services offerings to customers organized by four Strategic Market Units ("**SMUs**") - Americas 1, Americas 2, Europe and Asia Pacific Middle East and Africa ("**APMEA**").

Americas 1 and Americas 2 are primarily organized by industry sector, while Europe and APMEA are organized by countries.

Effective April 1, 2026, the customers across Latin America and Canada are aligned with the respective industry sectors in Americas 1 and Americas 2. Additionally, Hi-tech sector and airports as a sub-sector for Americas are now subsumed under existing sectors of Americas 1. Prior period comparables are readjusted to reflect this change.

Americas 1 includes the following industry sectors in the United States of America, Latin America and Canada: Communication, Media and Networks, Technology Software and Gaming, Technology New Age, Health and Consumer. **Americas 2** includes the following industry sectors in the United States of America, Latin America, and Canada: Banking and Financial Services, Energy, Manufacturing and Resources and Capital Markets and Insurance. **Europe** consists of the United Kingdom and Ireland, Switzerland, Germany and Western Europe. **APMEA** consists of Australia and New Zealand, Southeast Asia, Japan, India, the Middle East, and Africa.

Revenue from each customer is attributed to the respective SMUs based on the location of the customer's primary buying center of such services. With respect to certain strategic global customers, revenue may be generated from multiple countries based on such customer's buying centers, but the total revenue related to these strategic global customers are attributed to a single SMU based on the geographical location of key decision makers.

Our IT Services segment provides a range of AI-powered IT and IT-enabled services including AI advisory, industry & functional consulting, AI native development, customer centric design, modernization, custom application development, infrastructure services, cybersecurity services, data and analytics services, business process services, research and development, and hardware and software design. IT Products: The Company is a value-added reseller of security, packaged and SaaS software for leading international brands. In certain total outsourcing contracts of the IT Services segment, the Company delivers hardware, software products and other related deliverables. Revenue relating to these items is reported as revenue from the sale of IT Products.

The Chief Executive Officer ("**CEO**") and Managing Director of the Company has been identified as the Chief Operating Decision Maker as defined by IFRS 8, "Operating Segments". The CEO of the Company evaluates the segments based on their revenue growth and operating income.

Assets and liabilities used in the Company's business are not identified to any of the operating segments, as these are used interchangeably between segments.
